

**IN THE UNITED STATES BANKRUPTCY COURT
SOUTHERN DISTRICT OF TEXAS
HOUSTON DIVISION**

IN RE: FREDERICK TEZANO)	CHAPTER 13
DEBTOR)	CAUSE NO.: 20-32652

DEBTOR'S MOTION OBJECTING BOTH EBNER INDUSTRIAL, AND TRANSPORT FUNDING

TO THE HONORABLE JUDGE OF SAID COURT:

COMES NOW FREDERICK TEZANO (hereinafter Debtor), files this objection against Ebner Industrial, LLC and Transport Funding, first:

EBNER INDUSTRIAL

Debtor, states unequivocally that he neither store nor authorize any repair of the said freightliner that Claimant claimed to have stored and repaired. As a matter of fact, debtor dealt with Lessee named: Karr & Lexx LLC, 6811 Renata Cir., Houston, TX 77084.

Therefore, if any money is owed to Claimant, he should seek payment from the lessee. Debtor, therefore, move this court to deny Ebner Industrial claim because he owed claimant nothing.

TRANSPORT FUNDING

It should be noted that Transport Funding, sought and obtain relief from automatic stay.

Further, on or around May 11, 2020, the said freightliner, was involved in a serious accident and insurance company deemed the vehicle a total loss and claimant was paid for the loss.

Debtor, therefore, move this court to TRANSPORT FUNDING, because he has been made whole.

Wherefore, premise considered, prays the court to deny both claims.

Respectfully submitted,
